## **Increase of School Dinners**

Thursday 14<sup>th</sup> December 2023

Dear Parent/Carer,

As many of you are aware the cost of food and energy is increasing. We have been contacted by our catering company that due to this the cost of school lunches will be increasing from January 1<sup>st</sup> 2024.

The cost of a school meal will now be £2.60 per day, which is £13 a week.

This will mainly affect those of you who have a child in key stage two, as all children in key stage one qualify for universal free school meals.

This should not be confused with those who may qualify for free school meals due to being in receipt of some types of benefits.

This increase is out of our control. If you do have any concerns please come and speak to the school office. If you think you might qualify for free school meals please do come and speak of use and we will be happy to support you in applying for this.

Many Thanks.

Admin.
