

5<sup>th</sup> July 2021

Dear Parents/Carers,

As I'm sure you're aware, we received a monitoring visit from OFSTED on June 9<sup>th</sup> 2021. Their report has now been published and I am delighted to be able to share it with you. They identified that **'leaders and those responsible for governance are taking effective action in order for the school to become a good school.'**

Specific strengths that were identified include:

- The high priority that is placed on teaching pupils to read
- The swift progress that has been made to improve our curriculum
- Pupils' behaviour has improved and additional support is in place for those who need it

Best wishes

Mrs E Thornhill  
Acting Head of School
