

11<sup>th</sup> May 2021

Dear Parents & Carers,

As you are aware the last year has been an unsettling one for many of us, particularly our children.

The children currently in Year 6 will be leaving us in a few short weeks and, once they have taken their Year 6 assessments, we will be shifting the focus to preparing them to make the best possible start they can as they transition to secondary school.

From 17<sup>th</sup> May Year 6 will have two new teachers. Mr Punni will be teaching them Monday to Wednesday and Mrs Wilkinson Thursday and Friday. Both teachers are highly experienced and effective and they have both been working with the class for some time already. They will be working with the children across a range of topics to support each one through to the next stage of their education.

We will be in touch later in the term regarding arrangements for events to mark the end of primary school for your child.

I would like to thank you for your understanding through what has been a difficult year and ask for your continued support.

Yours sincerely

Mrs E Thornhill  
Acting Head of School
